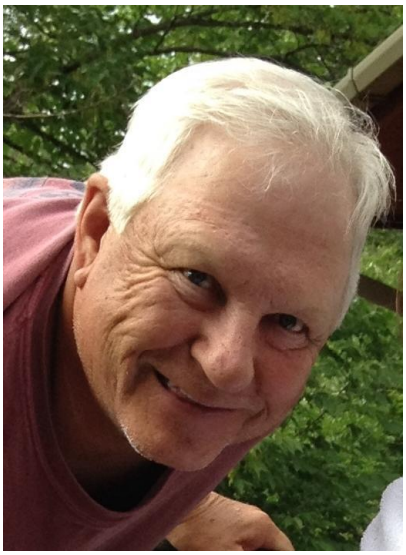
James Alan Lukauskas

October 09, 1952 - June 17, 2017



James Alan Lukauskas of Cadillac passed away from complications of lung cancer at the age of 64 on Saturday, June 17, 2017. James was born on October 9, 1952 to Alfred and Anna Lukauskas.

He graduated from Union High School in 1970 in Grand Rapids and went on to become a heating and cooling technician at Michigan Bell for 32 years.
James's achievements in life were numerous but he will be remembered as a man that loved the outdoors. He was a devoted husband and father. He was a "par fore" the course when it came to playing golf in the winters at Gulf Shores, Alabama and on the T.W.A.T. Northern Michigan Travel Golf League. Fish feared him when he was casting into his favorite Northern Michigan lakes and the Gulf of Mexico. As an avid hunter, there was not a buck he could not bag. He played softball for many years and of course mastered bowling with a 300 game.

There was not a single thing James did that wasn't perfection including marrying the love of his life on December 1, 1982, Annette.

He will be deeply missed by his surviving family; devoted wife, Annette Marie; children: Sandi (Derek) VanDenHeuvel, Susan (Josh) Drummond, and Steve Lukauskas; grandchildren: Reese and Laken Rode, Kylee and Kyler VanDenHeuvel, Quintin Lukauskas, Isla and Rhett Drummond; sister, Jayne Lukauskas; mother-in-law and Gulf Shores sidekick, Pat Donato.

In keeping with the wishes of James, cremation has taken place and no funeral service will be held.
