

The Low Country Boil was a success again this year. Many people from St Andrews Church came to help and learn more how to take over, however large thanks go to Walt and Bernice and their three sons who worked all day to make things run smoothly. MI Club sold 140 tickets and the church sold 212; Rouses donated \$100 toward food expenses; \$355 was made on the 50/50 raffle, and the total profit was \$4,827.42.
