

## LOOKING FOR VOLUNTEERS TO FILL BOARD POSITIONS

Every year, according to the Michigan Club by-laws, elections must be held to fill board positions. The election takes place at the last gathering in February.

We are looking to fill the following positions:

Secretary - whose responsibility is to take notes during the board meetings, which take place on Tuesday afternoons, every other week, beginning on January 5, 2027. After the meeting the secretary types up the minutes and sends them to the board members.

Trustee - whose responsibility is to help set up the activity center at Island Church prior to the gathering, serve as greeter at the gatherings, and audit the treasurer's books once a year.

PLEASE, if you are able and willing to serve in either of these capacities, send me an email at [theresakmills@gmail.com](mailto:theresakmills@gmail.com).

Thank you for your thoughtful consideration of being involved in leadership.
