

Donations to Charities in 2024

Here is the list of all the charities the Michigan Club was able to donate to this year.

Orange Beach Presbyterian Church
Foley Swift Presbyterian Church
Island Church
Gulf Shores Christian Social Service
South Baldwin literacy Council
Lighthouse of Baldwin County

The Club was able to give a total donation of \$3600 to these local charities. This was only possible because of the number of raffle tickets purchased by each and every one of you. With your support we hope to be able to continue this practice in future years.
