

GOOD NEWS

As Ed mentioned at our last meeting, our next luncheon after the Michigan Club meeting will be at Villagio's in the Wharf. They have put together a special menu for us as well as offering the club Happy Hour Prices on drinks and appetizers. Or If you wish, you may order one of your favorite dishes off the main menu.

Myra, the GM for the Wharf restaurant group has given us many gift cards to raffle off at our meeting. Thus making our luncheon more affordable and offering us a fine dining experience.

Hope to see many there, don't forget your thank you cards. Ed
