

The cruise from New Orleans to the Bahamas is almost all set. We have over 30 people signed up, but we can still have more. We will leave New Orleans February 3, 2024, on the Carnival ship Glory and go to Key West and then Grand Bahamas: Freeport, Half Moon Cay, Nassau and back to New Orleans to disembark February 11, 2024.

The rooms are interior \$731, ocean view \$876 and balcony \$1146. The booking # NOL3S9 and our group # MOX3G1. We are scheduled to have early dining and hopefully, our group will be able to eat together.

Since a motorcoach is way too expensive to take over to New Orleans, Caro Osterman is arranging for us to carpool over.
