Ted was born in Cadott, WI to Theodore and Vlasta on February 12, 1942. He grew up on the family farm where he found his fondness of gardening and beekeeping. His love of teaching began when he started walking to his one room schoolhouse, Eleanor, uphill both ways in first grade. He always made sure to tell everyone that he got to skip kindergarten. He graduated from University of Wisconsin – River Falls with a bachelor's in education and completed his Master of Education at Michigan State. He married Mary Teal on June 19, 1965 in Romeo, MI. He taught high school science and agriculture for 30 years in Coopersville, Harbor Beach, and Port Hope, MI.

Ted was happiest when he worked and shared his honey, vegetables, and fruits of his labor. He and Mary enjoyed traveling to spend time with family. He was proud of the accomplishments of his children and grandchildren. He was involved in his church choir, elder, a former Sunday school teacher, and part of the Lutheran Laymen's League at the local and MI District level. He loved being part of the Lion's Club, Jaycee's, and Michigan Association of Retired School Personnel member.

Ted is preceded in death by his loving parents, Ted and Vlasta, and many deeply loved aunts and uncles.
