

Special Raffles

The Michigan Club is pleased to offer two special raffles of hand-made jewelry crafted by Kyle Cruse. These gems are agates, one of the Lower Peninsula and one of the Upper Peninsula, each of which is worth more than \$100.00. They can be worn as necklaces or as name badge holders. Raffle tickets will cost \$5.00 apiece and will be sold at each of the first four club meetings and the picnic. The drawings for these lovely pieces will be on February 22, which is the picnic. One need not be present to win. The profit from these two raffles will go to support the club and club activities.
