

Your help is needed. The wonderful people who oversaw the coffee for our Michigan Club meetings cannot do it this coming year. We need a volunteer or volunteers to take care of this. It is not a hard job but vital, people need their coffee. lol. The job takes getting to the meetings early, making and serving coffee and donuts to members. For those not familiar, there is a room toward the back of the hall and members go back there to get and enjoy their coffee. Our volunteers are vital to the club. Meetings and activities cannot happen without them. Please consider helping. Get some of your friends to form a team and this will be an enjoyable activity that provides an important service to the Club. Contact Deb Singer at debmiclub@yahoo.com. Thank you and see you all soon. Safe travels.
